SUBJECT: Operable Unit (OU) 7/13/14 Second Addendum to the RI/FS Work Plan and the
Scope of Work - (EM-ER-03-086)

Dear Mr. Nygard and Mr. Pierre:

Thank you for your letter of March 17. The submitted Second Revision to the OU 7-13/14 Scope of Work (SOW) should resolve any concerns regarding the Work Plan. Per sections 1.1, 2, and 9 of the submitted OU 7-13/14 SOW, the second addendum to the RI/FS Work Plan will be submitted as a primary document, subject to Agency concurrence. Though the *Agreement to Resolve Disputes* does not specify an enforceable milestone, nor does the Department agree to create such a milestone, the OU 7-13/14 team's working schedule is to submit the Work Plan in April 2003, as an FFA/CO primary document. With that issue resolved, I look forward to your concurrence with the submitted SOW.

If you have any questions, please contact me at (208) 526-4392.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen S. Hain".

Kathleen Hain, Lead
Environmental Restoration
